# The Next Episode

There \_\_\_\_\_ was. The most amazingly impressive flat screen tv I'd ever seen! \_\_\_\_\_ screen was shiny, clear, and clean as a whistle. \_\_\_\_\_ unwrapped it from \_\_\_\_\_ box and my dad hung \_\_\_\_\_ on the main wall of the living room. \_\_\_\_\_ mom gasped in amazement as we turned \_\_\_\_\_ on. \_\_\_\_\_ was just as excited as \_\_\_\_\_ was. \_\_\_\_\_ saw all kinds of programs in HD quality- horror movies, telenovelas, music videos, nature shows, \_\_\_\_\_ was thrilling! \_\_\_\_\_ couldn't believe what \_\_\_\_\_ had gotten \_\_\_\_\_ into. As \_\_\_\_\_ watched, \_\_\_\_\_ couldn't help but turn to \_\_\_\_\_ favorite show Family Guy. The colors on the screen were so bright, colorful, and clear. \_\_\_\_\_ felt like \_\_\_\_\_ was in the cartoon with Stewie and Brian! \_\_\_\_\_ sat and watched the next episode, and the next episode, and another episode until \_\_\_\_\_ mom made me turn it off. \_\_\_\_\_ said it was time for \_\_\_\_\_ homework. My love of Family Guy is not eclipsed by \_\_\_\_\_ love of telenovelas.
