

hoop

1. Adjective
-

hoop

When the ball went through the hoop, I shouted to get a _____ Adjective look at it. This is taking way too long.

I'm probably not even going to use this lesson. It's just so frustrating trying to come up with different things to do in the classroom. I just wish I had more time to spend with friends, or loved ones. Or even just to play some games. I'm so tired.
