Fun at the Library

Last [day of the week] I went to the library to pick up a book on [Animal] pornography. I was in a hurry because I didn't want to miss my all time favorite show [tv show], I heard that would be the episode where [fictional character] finally kisses [fictional character] and [celebrity] would be guest starring.

So I manage to find [Number] books on the subject, then I moved one book from the [book genre] which was [name of a book] and suddenly a/ an [Adjective] white hand appears. I was going to [Verb] but the hand grabbed me and took me to a [Adjective] world where everything was drawn, including me, and it smelled like [food].

The hand belonged to a/an [Adjective] man who was also drawn, he had a long [Part of Body] and his hair looked [Adjective]. Suddenly he started singing [name of a song] and crazy things started happening. He grabbed me by the [Part of Body] and started running into random [Adjective] hallways, then there was a [vehicle] race, and then I stopped paying attention when all of a sudden [Number] pissed off plumbers started chasing us with [object] trying to kill and [Verb - Base Form] us. We ended up in this [Adjective] white room with a large rectangular thing that I think was a portal back to my world. The man was finishing his [Adjective] song and I ran towards the portal as fast as I could to get away from that [Adjective] freak show.

So I'm back at the library, and then I saw my friend [_____ persons name _____] go towards the same shelf where that
freak kidnapped me, and suddenly the man took him/her too. I would've helped but he/she was a/an [_____
_____ Adjective _____] jerk and had it coming. I then went home, but I missed my show by [_____ Number _____]
minutes. And that is why I am never going to [_____ Verb - Base Form _____] [_____ Noun _____] ever again.
