Fun at the Library

Last [_____ day of the week _____] I went to the library to pick up a book on [_____ Animal _____] pornography. I was in a hurry because I didn't want to miss my all time favorite show [_____ tv show _____], I heard that would be the episode where [_____ fictional character _____] finally kisses [_____ fictional character _____] and [_____ celebrity _____] would be guest starring.

So I manage to find [_____ Number _____] books on the subject, then I moved one book from the [_____ book genre _____] which was [_____ name of a book _____] and suddenly a/ an [_____ Adjective _____] white hand appears. I was going to [Verb] but the hand grabbed me and took me to a [_____ Adjective _____] world where everything was drawn, including me, and it smelled like [_____ food _____].

The hand belonged to a/an [_____ Adjective _____] man who was also drawn, he had a long [_____ Part of Body _____] and his hair looked [_____ Adjective _____]. Suddenly he started singing [_____ name of a song _____] and crazy things started happening. He grabbed me by the [_____ Part of Body _____] and started running into random [_____ Adjective _____] hallways, then there was a [_____ vehicle _____] race, and then I stopped paying attention when all of a sudden [_____ Number _____] pissed off plumbers started chasing us with [_____ object _____] trying to kill and [_____ Verb - _____ Base Form _____] us. We ended up in this [_____ Adjective _____] white room with a large rectangular thing that I think was a portal back to my world. The man was finishing his [_____ Adjective _____] song and I ran towards the portal as fast as I could to get away from that [_____ Adjective _____] freak show.

So I'm back at the library, and then I saw my friend [_____persons name_____] go towards the same shelf where that

_____Adjective_____] jerk and had it coming. I then went home, but I missed my show by [_____Number_____]
minutes. And that is why I am never going to [_____Verb - Base Form_____] [_____Noun_____] ever again.
