The Woods Adventure!

Once there was a girl named charlie and she went out to camp in the woods with her friend cailynn. They decided to go to pack for the trip. They had to pack a lot incase anything happened that they did not expect.

Charlie packet her _____ Adjective _____ stuffed animal,her clothes, and some bannanas. Cailynn packed her _____ Adjective _____ blacket, her clothes, and some apples.They also had to pack there sleeping bags and some more food.Then they were on there way!

They took the _____ vehical _____ to the park and then they had to walk _____ Number _____ miles so that they would not be seen.They went to set up there stuff when they relized that they had forgotten to bring the tent. So they just put there sleeping bags on the ground. Then they went to see what else was around when they stummeled into a cave.....

They did not know if they dare go inside so they did anyway.It looked like someone had ben in the cave before and tried to make it a home. They thought that they could stay in they cave. So they went back to the place where they first went and took there stuff to the cave.

When they got back to the cave they heard a _____ Adjective _____ nosie.They saw a _____ Adjective _____ shaddow in the corrnor.Then it said hello. We where so _____ Adjective _____. But then we found out it was a _____ Adverb _____ indian and we visited him every mouth..

!THE END!
