goku

The main <u>Noun</u> of all things Dragonball. Goku is one of the remaining <u>Noun - Plural</u> in the world who's real name is <u>Proper Noun</u> (the remaining Saiyans all call him that). He was sent to Earth when he was a baby to prepare the auctioning of it, but Goku falls into a ravine, loses all of his <u>Noun</u> and forgets his mission. Goku is then raised by an elderly old man named Gohan who teaches him the basics of karate. Gohan is eventually killed by Goku(complete accident).

All Goku remembers is his grandfather telling Goku to never look at the moon again.

Goku eventaully meets <u>Determiner</u>, a girl searching for the mystical dragonballs. Goku has a dragonball, but refuses to give it to her. However, he eventually joins Bulma in the search, which leads to the whole story of all things Dragonball.

and <u>Proper Noun</u>.
