# At the Zoo

One day I decided to go to the zoo. The first thing we saw were the monkeys. They were \_\_\_\_\_ Verb - Present

Tense \_\_\_\_\_ all over the Noun \_\_\_\_\_. Then we saw lions. One of them had a Adjective \_\_\_\_\_ main, the guide

said that it was the male. The elephants were gigantic! They were Adjective - Comparative \_\_\_\_\_ than I thought they

were. When we saw the giraffe's I had to look Adverb \_\_\_\_\_ up to see its Noun \_\_\_\_\_. The guide said they

were Number \_\_\_\_\_ feet tall! My favorite animal at the zoo was the Adjective \_\_\_\_\_ tortoises. They move

very Adverb \_\_\_\_\_ but there huge Noun \_\_\_\_\_ protect them. I can't wait to go to the zoo again!
