Basketball

The first time I touched a basketball is when I was 11 years old. I saw the <u>Adjective</u> orange on the ball, the round and <u>Noun</u> of the ball as I gripped it in my palms. I started <u>Verb - Present Tense</u> it up and down as I heard the strange sound it makes, it <u>Verb - Past Tense</u> me. After that moment I started to pick up the sport and practice each and everyday. I worked hard and long to try and make it <u>Adverb</u> in this <u>Adjective</u> sport. Even till this day the only thing that keeps me going is my older <u>Noun</u> told me " Always work hard and have dedication ".
