# Marching With The Best

Mrs. Murphy and Mr. Clinton \_\_\_\_\_ Verb - Past Tense very hard to keep the marching band together. Mr. Clinton was constantly making sure everyone was \_\_\_\_\_ Verb - Past Participle and seeing to it that all the \_\_\_\_\_ Noun - \_\_\_\_\_ Plural made their way to the \_\_\_\_\_ Noun, of which he kindly drove each week without \_\_\_\_\_ Noun.

Mrs. Murphy had the \_\_\_\_\_ Adjective job of setting the field show and making sure we all knew what we were suppose to do along with \_\_\_\_\_ Verb - Present Tense all \_\_\_\_\_ Adjective and \_\_\_\_\_ Adjective problems. Through out the marching season we \_\_\_\_\_ Verb - Past Tense and played. It was tough but we made it though in the end all thanks to two very special people.
