20. Noun
21. Animal

# Blood Sucking Parasite

We all go a little \_\_\_\_\_ sometimes, but \_\_\_\_\_ really takes the cake. He's here, then there, then everywhere. And boy can he \_\_\_\_\_ up on you when he wishes. Of course, it's easy for him since he has no \_\_\_\_\_, and why he has \_\_\_\_\_ all over the place is beyond me. As for his supposed aversion to \_\_\_\_\_, it's an old wives tale. He likes to \_\_\_\_\_ those who eat \_\_\_\_\_ regularly, since \_\_\_\_\_ is good for the heart. More healthy blood he tells me. Silver doesn't bother \_\_\_\_\_, nor does \_\_\_\_\_. But one sure fire way to get away from him when he's \_\_\_\_\_: throw \_\_\_\_\_ on the \_\_\_\_\_. It really does work. He cannot fight the \_\_\_\_\_ to count each and every \_\_\_\_\_. And his \_\_\_\_\_ sense, there isn't any. Who \_\_\_\_\_ and honest to god \_\_\_\_\_ everywhere? So yeah, he's as batty as the \_\_\_\_\_ he rode in on.
