When suddenly all of the in all of the world shut down. There was only and
the material gain while others, stricken, were collecting noun - Plural and noun -
Plural . A small group of Noun - Plural were blindly Verb - Present Tense anyone who came in their
path out of mass Then without warningA!
Simultaneously every <u>Noun</u> and <u>Noun</u> powered <u>Noun</u> on Earth animated without any
Noun ! The Noun - Plural had begun to take over. People were Verb - Past Participle by cords
and wires. They were to death and sprayed with acid. The
Noun - Plural were out for blood for no logical reason. How could this have happened? Why? Everyone
died immediately. I'm actually a End of story.
