I had hoped you'd see my face and that you'd be reminded

I wish nothing but the best for you, too

You know how the time flies

Only yesterday was the time of our lives

We were born and raised in a summer haze

Bound by the surprise of our glory days

I had hoped you'd see my face and that you'd be reminded

That for me, it isn't over yet

Never mind, I'll find someone like you

I wish nothing but the best for you, too

Don't forget me, I begged, I remember you said

Sometimes it lasts in love, but sometimes it hurts instead, yeah

Nothing compares, no worries or cares

Regrets and mistakes, they're memories made

Who would have known how bittersweet this would taste?

Never
