You know how the time flies
Only yesterday was the time of our lives
We were born and raised in a summer haze
Bound by the surprise of our glory days
hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it
I had hoped you'd see my face and that you'd be reminded
That for me, it isn't over yet
Never mind, I'll find someone like you
wish nothing but the best for you, too
Don't forget me, I begged, I remember you said
Sometimes it lasts in love, but sometimes it hurts instead, yeah
Nothing compares, no worries or cares
Regrets and mistakes, they're memories made
Who would have known how bittersweet this would taste?

Never

mind, I'll find someone like you

I wish nothing but the best for you

Don't forget me, I begged, I remember you said

Sometimes it lasts in love, but sometimes it hurts instead

Never mind, I'll find someone like you

I wish nothing but the best for you, too

Don't forget me, I begged, I remember you said

Sometimes it lasts in love, but sometimes it hurts instead

Sometimes it lasts in love, but sometimes it hurts instead
