# Gourd Story

One day my gourd, \_\_\_\_\_  
One day my gourd, \_\_\_\_\_, spoke to me. He said, "Hey there, I am \_\_\_\_\_ of  
\_\_\_\_\_ around here!" I was so \_\_\_\_\_, I jumped off of the \_\_\_\_\_ and ran. I  
could not believe he was talking to me. I decided to roll him over to see what he would do. He got very mad and  
started to cry. I think he was hurt. The next thing I know, he was spitting seeds on me.
