# Declaration Of Independence

We hold these \_\_\_\_\_  
to be self-evident, that all \_\_\_\_\_ are created \_\_\_\_\_,  
that they are endowed by their \_\_\_\_\_ with certain unalienable \_\_\_\_\_, that among these are  
Life, \_\_\_\_\_ and the pursuit of Happiness.--That to \_\_\_\_\_ these rights, Governments are  
instituted among \_\_\_\_\_, deriving their just powers from the \_\_\_\_\_ of the governed, --That  
whenever any Form of Government becomes \_\_\_\_\_ of these ends, it is the Right of the  
\_\_\_\_\_ to alter or to \_\_\_\_\_ it, and to institute new \_\_\_\_\_, laying its foundation on  
such principles and its powers in such form, as to them shall seem most likely to effect their \_\_\_\_\_ and Happiness.  
Prudence, indeed, will dictate that \_\_\_\_\_ long established should not be changed for light and  
\_\_\_\_\_ causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer,  
while evils are \_\_\_\_\_, than to right themselves by abolishing the forms to which they are accustomed.  
But when a long \_\_\_\_\_ of abuses and usurpations, pursuing invariably the same Object evinces a design  
to reduce them under absolute \_\_\_\_\_, it is their right, it is their \_\_\_\_\_, to throw off such  
Government, and to \_\_\_\_\_ new Guards for their future security.--Such has been the \_\_\_\_\_  
sufferance of these Colonies; and such is now the necessity which \_\_\_\_\_ them to alter their former Systems of  
\_\_\_\_\_. The history of the present King of Great Britain is a \_\_\_\_\_ of repeated injuries and  
usurpations, all having in direct object the establishment of an \_\_\_\_\_ Tyranny over these  
\_\_\_\_\_. To prove this, let Facts be \_\_\_\_\_ to a candid world.
