# Declaration of Independence

IN \_\_\_\_\_, July \_\_\_\_\_, \_\_\_\_\_.

The unanimous Declaration of the \_\_\_\_\_ united \_\_\_\_\_ of America,

When in the Course of human \_\_\_\_\_, it becomes necessary for one people to dissolve the \_\_\_\_\_ bands which have \_\_\_\_\_ them with another, and to assume among the \_\_\_\_\_ of the earth, the separate and \_\_\_\_\_ station to which the Laws of \_\_\_\_\_ and of Nature's God entitle them, a decent respect to the \_\_\_\_\_ of mankind requires that they should declare the causes which impel them to the separation.

We hold these \_\_\_\_\_ to be self-evident, that all men are created \_\_\_\_\_, that they are endowed by their Creator with certain unalienable \_\_\_\_\_, that among these are Life, \_\_\_\_\_ and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just \_\_\_\_\_ from the consent of the governed, --That whenever any Form of Government becomes \_\_\_\_\_ of these ends, it is the Right of the \_\_\_\_\_ to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their \_\_\_\_\_ and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that

mankind are more disposed to \_\_\_\_\_ Verb - Base Form \_\_\_\_\_, while evils are sufferable, than to right themselves by  
\_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ the forms to which they are accustomed. But when a long train of abuses and  
usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is  
their right, it is their \_\_\_\_\_ Noun \_\_\_\_\_, to throw off such Government, and to provide new Guards for their future  
security.--Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains  
them to alter their former \_\_\_\_\_ Noun - Plural \_\_\_\_\_ of Government. The history of the present King of Great Britain is  
a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute  
\_\_\_\_\_ Noun \_\_\_\_\_ over these States. To prove this, let Facts be submitted to a candid world.
