Jolie Jones- Mad Lib

I was walking _____ Preposition home down _____ Proper Noun _____ Proper Noun. Suddenly I felt a
_____ Adjective pain against my _____ Part of the face and fell unconscious. When I awoke I found myself tied
up in a chair. I flailed and _____ Verb - Past Tense _____ Conjunction no one came to help me. I grew weaker and
weaker with every passing moment I stayed there. In my head I wondered what was happening. Finally, after
what felt like hours someone in _____ Conjunction _____ Adjective crisp white uniform walked
_____ Preposition the room and didn't speak; he just stood there..... watching me. He was _____ Verb - Present
_____ ends in ING notes on a yellow note pad in pen. Suddenly he spoke in a dark _____ Conjunction surprisingly
happy voice.

"Congratulations," _____ Pronoun said, "you are the only test subject that didn't..... go crazy."

"_____ Interjection! Where the heck am I you psycho?!" I screamed at _____ Pronoun.

"_____ Interjection! Calm down!" he _____ Verb - Past Tense.
