# The Evil Mrs.Messinger

Mrs.Messinger just yelled at me. She is a mean teacher because she made me sit in a corner. The only thing I did was slap her in the face. She is mad at me, but I don't know why. No one else gets mad if I slap them in the face. What did I ever do to her? After that she drop kicked me down the steps. I ended up in the hospital with broken ribs, and Mrs.Messinger is in jail for child abuse. I thought I was safe but one morning I heard on the news that someone had broken out of jail, it was Mrs.Messinger. She is now a fugitive, and is after me. I am sleeping with one eye open. I woke up in an abandoned house, and she has knife to my throat and is talking about random things. She says she is going to kill me. Just then the SWAT team comes in and arrests Mrs.Messinger but she gets away, takes their guns and shoots them. Then the whole house falls on her \_\_\_\_\_ Coordinating conjunction \_\_\_\_\_ I went home. She comes out from the rubble as a flesh eating monster; she starts to eat Taylor because she doesn't like her. They still say she roams in the woods. I was screaming I was screaming YES because she was gone. But geez was I tired.
