## **Hold the Blank**

| "You all know the mission, and what is at stake.  |
|---|
| I have come to trust each of you with my but I have also heard murmurs of discontent. I share |
| your concerns.  |
| We are trained for espionage; we would be legends, but the records are Glory in battle is     |
| not our   |
| Think of our heroes; the, who defeated a nation with a Or the,                                |
| who kept armies at bay with   |
| These giants do not seem to give us here, but they are not all that we are.                   |
| Before the, there was the Before, there were!   |
| Our influence stopped the, but before that we held the!                                       |
| Our influence stopped the Noun, but before that, we held the Noun!                            |
| Our influence will stop Noun; in the battle today, we will hold the Noun!"                    |
