NCR

Once upon a time there a Adjective program in the Adjective town of Northboro. This program, known as NCR was a Adjective place in which people learned how to lead the Noun - Plural the always wanted to live. One day, there was a Adjective hurricane that Verb - Past Tense the town and left the program without power. The Adjective residents at the now Adjective Adjective program were left in the dark. At 9:00pm, Meghan suggested we sing Adjective campfire songs. We sang "Singing in the Rain" and had a Adjective time. At 10:00 pm, Ashley brought out her Adjective guitar and played for the Adjective residents. At 11:00, all the resident's made Adjective sandwiches. And at 12:00, all the resident's Verb - Past Tense around in the Adjective dark to Verb - Base Form for their Noun rooms to Verb - Base Form to bed. All the residents hoped that the power would come back on again tomorrow!
