Case Closed

Note: This description uses the names from the Japanese version of the anime. The English names are different.

Case Closed is an anime about a famous high school detective named Shinichi Kudo who gets turned into a

_____ Noun beginning with a consonant sound _____ by two mysterious men who force-feed him a _____ Noun beginning with a

consonant sound _____ containing an _____ Adjective Beginning with a Vowel Sound _____ poison. When Shinichi goes home, he

discovers he can't get into his house, so he goes to his neighbor, the brilliant inventor, _____ A Title for a Person _____

Agasa.

After convincing Doctor Agasa that he is indeed _____ Name of a Famous Person _____, he is told by Doctor Agasa that he

should keep his identity a secret to prevent the _____ Noun - Plural _____ who gave him the pill from learning that he is

still alive. There is also no hope that Doctor Agasa can _____ Verb - Base Form _____ what happened until he gets a

sample of the poison used on Shinichi.

Meanwhile, Shinichi goes undercover as Conan Edogawa. Doctor Agasa asks Shinichi's best friend and crush,

Ran Mouri, to take him in for a while because her father, Kogoro Mouri, works as a detective. If Shinichi stays

with the Mouris, then he might pick up on a lead from Ran's father as to how to track down his would-be killers

and obtain a sample of the poison. The only problem with this plan is that Detective Mouri does not get many

cases because he is a lousy detective.

Shinichi tags along on Detective Mouri's cases and is able to solve them, but no one will listen to a little kid. To aid Shinichi with his detective work, Doctor Agasa creates many Noun - Plural for him. Shinichi uses two such devices to get people to listen to him while he is on cases: a Noun beginning with a consonant sound that acts as a voice-changer, and a Yet another noun beginning with a consonant sound that makes people fall asleep. With both devices, he is able to get people to listen to him by knocking Detective Mouri out, hiding, and using his **Repeat Last** Noun beginning with a consonant sound to pretend to be Detective Mouri speaking.

While Shinichi is waiting to find a lead on the Noun that Verb - Past Tense him into a child, he is also able to solve many mysteries on his own, as well as with new friends he meets along the way, but it may take a long time before Shinichi finds anything to help him on the path to becoming his own age again.
