## **My Crazy-Fun Reunion**

Interjection	! Was this summ	er fun-filled and	Adjective	! Every three years	my family has	a huge
reunion, and evo	erybody comes to C	Charles City. This usu	ually lasts for t	hree days, but the t	hird day is my	favorite.
We have a home	emade 'Wipeout' co	ourse and lots of diffe	erent games. O	ur course includes	tires, a balance	beam
over a kiddy po	ol filled with	, a blow-up	slide, a black	tube, an army craw	l, and a box cra	wl. I
would say that t	the box crawl is the	trickiest, because yo	ou have to	Adverb V	erb - Base Form	_ through
, and not hit a de	ead end. We also ha	ave toilet, bed, and m	ninnow races.	The toilet races are	pretty tricky, be	ecause
when you come	around the corner,	you have to	verb lean v	with the cart, if you	re riding. The p	erson
pushing has to h	nave complete contr	ol in steering. With	the Noun	races, we race	down the drive	way,
stop, do a Chine	ese fire drill, and the	en Verb - Base Form	back. It's	pretty entertaining	to watch, espec	cially
because I've got	t some pretty	Adjective family m	nembers. The c	only thing you have	to do with the	minnow
races is to	Verb - Base Form a	minnow, hope it's fa	st and not stub	born, put it into the	e cut PVC	
Noun ,	and help it glide in	the water to the finis	sh line. Also fo	or our family reunio	ons, we have so	me old
fashioned races	and relays. This far	mily reunion was pre	etty Adjectiv	this summer	There were 97	7 family
members! It wa	s really awesome to	get to see everyone	, though. I can	t wait until the nex	t big family reu	nion!
