# first action scene drawing

I \_\_\_\_\_ it's what I do when I'm really bored, like today I'm probably going to take my note book down to lunch and \_\_\_\_\_ or \_\_\_\_\_. My absolute favorite \_\_\_\_\_ are action scenes, and monsters/ cryptic \_\_\_\_\_. The drawing I'm going to tell you about now is not the best one I've done but it was a long time ago in third grade. \_\_\_\_\_ (our \_\_\_\_\_ teacher) gave us the forever \_\_\_\_\_ assignment I darted across the \_\_\_\_\_ room to get my supplies and sat back down. Then brainstormed an amazing idea, one \_\_\_\_\_ and a \_\_\_\_\_ in \_\_\_\_\_, just like the cold \_\_\_\_\_. So after \_\_\_\_\_ it out I took it up to him he added that there were \_\_\_\_\_ and they're not at all \_\_\_\_\_ appropriate. So after noting that I brain stormed a couple other \_\_\_\_\_ ideas when I found the perfect one. It had no \_\_\_\_\_. The \_\_\_\_\_ were \_\_\_\_\_. One red the other white they were both \_\_\_\_\_ in a warehouse and the warehouse was \_\_\_\_\_. That was my first action scene \_\_\_\_\_.
