Field Trip

One _____ evening in my 6th grade year, our class took a field trip! We rode a _____, _____ to a ski resort. Once we arrived, we saw that the place was packed with many other schools! We _____ got our skis and took lessons. I tumbled a lot of times into the freezing snow, but I never thought my problems would come on the ski LIFT!

I waited _____ in the ski lift line with my friend, McKayla, who was riding it with me. Our turn finally arrived as the squeaky chair rounded the corner. McKayla and I were _____ to the block when our skis touched and got caught! We were trying to regain balance when the chair came and _____ us away! Our fluffy _____ had gotten tangled on the chair as it pushed us under it and _____ us into the icy snow. _____ !

To add more to our humiliation, the guy running the lift had to stop it and come into the snow! Everyone in the huge line was laughing so hard! McKayla and I were also laughing as the unshaven _____ angrily put our skis back on and hoisted us back onto the lift. What an _____ way to start the trip!
