Noun-Person birthday is on Halloween night, and my grandpas is on October, 27. We ate lots of
delicious food. I ate too many delicious pickle wraps, so i only ate cheesey cheese cake after
that. It had cherries and cherry syrup. Then we had all the kids get into there Halloween
costumes. Then they would Adverb verb - Base Form around and all of the the older kids and
adults would give them a piece of I was verb - Present ends in ING out little puzzle sliders to
the Noun-Plural, but i think they are really hard. I wore my jokers mask so I could hand out stuff to the
kids. I also wore that mask on Halloween while verb - Present ends in ING trick or treating. Every few minutes
i would have to say because a little kid would have fell and landed on me. It
was a very spooky party.
