## My Trip To Iowa City

On Tuesday morning <u>Noon</u> woke up at 3:50 am. And we hit the road by 5:00 am. When we got there we <u>Vorb - Past Tense</u> to the room thinking we were late, but we were really early. I found out my left ventricular of my heart is <u>Adjective</u> <u>Vorb - Present ends in ING</u> blood. It's not life threatening, but still. The next day they checked <u>Noun</u> spine for scoliosis. So they put me in a <u>Adjective</u> X-ray thing, and iit turns out that i have a 44 degree curve of my spine. <u>Interjection</u> ! so there going to <u>Vorb - Present ends in the spine so I can stop growing that way it's not going to affect my growth in any way. <u>Interjection</u> some more scars, but until then it's going to be <u>Adjective</u>.</u>
