# Thanksgiving Chef

This year, the annual \_\_\_\_\_ family Thanksgiving \_\_\_\_\_ was being held \_\_\_\_\_ your \_\_\_\_\_! You were excited because this would give you a chance to show off your sublime cooking \_\_\_\_\_. First, you had to put the turkey \_\_\_\_\_ the oven so it would be ready for later. Then you had to contemplate on which side dish you should cook: \_\_\_\_\_ potatoes or stuffing. You picked the \_\_\_\_\_ potatoes, but when making them you may have inadvertently added too much \_\_\_\_\_ and butter. There was no time to \_\_\_\_\_ it, so you went to pick an appetizer as a diversion. You had artichoke dip last year at your \_\_\_\_\_ 's house and \_\_\_\_\_ it. You know your \_\_\_\_\_ never divulges anything about her furtive recipes, so you had to search \_\_\_\_\_ online. You chose the \_\_\_\_\_ one you could find and before you knew it, you were finished with it. Pumpkin and \_\_\_\_\_ pie were going to be the desserts but there was one problem: you only \_\_\_\_\_ crust for one pie! After a lot of ruminating, you figured out that you could just \_\_\_\_\_ dough on the \_\_\_\_\_ and none \_\_\_\_\_ the bottom. Suddenly, a din came from the oven and you tried to avert the raucous noise. You tried to open the oven, but the door was \_\_\_\_\_. Using your prodigious strength, you pulled and pulled until the oven door opened. The turkey was \_\_\_\_\_ when you took it out, but it was still good enough to eat. You finished up the pies and put them \_\_\_\_\_ the oven. At the family feast, let's just say that everyone was very \_\_\_\_\_ with your eminent cooking.
