The haunted woods

One chilly night my cousin and I our bikes to these Adjective Adjective	_
Noun - Plural . Like usual we would go there and verb - Base Form more of a cabin that we were	
making. We got to the woods and our bikes in some bushes. We started Adverb	
walking through the dark woods when I heard someone	ed
there was no one there, so we started walking faster. When we arrived to the unfinished we	
picked up the Moun - Plural that we stashed there so we didn't have to haul them bac	k
and forth. When we finished building for the day we hid the boards and started walking back to our bikes. A	s we
were walking Cain said "what"? I glared at him and said "I didn't say anything" I thought he was going crazy	•
We were almost to our when I saw something mysterious out of the corner of my eye. We were almost to our when I saw something mysterious out of the corner of my eye.	'hen
I looked over, it looked like a person. I turned and said "Cain look"! we looked and there wa	ıS
nothing there, then we verb - Past Tense out of the woods and that was the last time	we
went back there.
