While the Bethany Youth Group was on their way to youth camp, Jaime sees a Adjective Noun laying in the road. Becoming impatient, Youth Member begins driving the van to camp. Youth Member says that they should go back to get her, but everyone else agrees that getting to camp on time is more important. On the first night, dinner was Adjective Food. During morning worship the next day, Youth Member won a Noun for winning a game. Youth Member found some Noun - Plural in Youth Member suitcase and thought he/she better tell Rodney. Rodney was very Emotion with what he found and made him youth member of the Amount of Time. It was a Adjective week of camp, and nobody wanted to leave at the end of the week. Remembering that they had left Jaime, the group started looking for her at/in a/on a Noun. When they finally found her they discovered that she had met some Group of People and that she had been hanging out with them for the week.
