# The Giraffe and the Pelly and Me

Not far from where I live there is a Adjective Adjective empty Adjective house standing  
all by itself on the side of the Noun. I long to explore inside it but the Noun is always  
Adjective, and when I Verb - Base Form though a Noun all I can see is Adjective  
and Noun - Plural. I know the ground floor used once to be a Noun because I can still read the  
faded lettering across the front which says: THE Noun - ALL CAPS.
