Dentist Visit

My first visit to the dentist occurred when I was _____^{number}_____ years old. I had a cavity from eating too much _____^{Noun}_____, and my mom wanted to get it checked out. I was so _____^{Adjective}_____ when the day came. In the waiting room I nervously _____^{Verb - Past Tense}_____ a _____^{Noun}_____ while _____^{Verb - Past Tense}_____ my _____^{Noun}_____. Once I was called back, I was _____^{Verb - Present ends in ING}_____ all over. I sat in the dentist's _____^{Noun}_____, and the assistant got me ready. When the dentist walked in, he said " _____^{greeting}_____!" and we talked for a few _____^{period of time}_____. The dentist decided that my _____^{Noun}_____ needed to be removed and the tooth _____^{Verb - Past Tense}_____, but he assured me that it wouldn't be _____^{Adjective}_____. I felt a lot better, and after that experience I was never afraid to _____^{Verb - Base Form}_____ to the _____^{Noun}_____ again.
