# Dentist Visit

My first visit to the dentist occurred when I was \_\_\_\_\_<sup>number</sup>\_\_\_\_\_ years old. I had a cavity from eating too much \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_, and my mom wanted to get it checked out. I was so \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ when the day came. In the waiting room I nervously \_\_\_\_\_<sup>Verb - Past Tense</sup>\_\_\_\_\_ a \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ while \_\_\_\_\_<sup>Verb - Past Tense</sup>\_\_\_\_\_ my \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_. Once I was called back, I was \_\_\_\_\_<sup>Verb - Present ends in ING</sup>\_\_\_\_\_ all over. I sat in the dentist's \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_, and the assistant got me ready. When the dentist walked in, he said " \_\_\_\_\_<sup>greeting</sup>\_\_\_\_\_!" and we talked for a few \_\_\_\_\_<sup>period of time</sup>\_\_\_\_\_. The dentist decided that my \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ needed to be removed and the tooth \_\_\_\_\_<sup>Verb - Past Tense</sup>\_\_\_\_\_, but he assured me that it wouldn't be \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_. I felt a lot better, and after that experience I was never afraid to \_\_\_\_\_<sup>Verb - Base Form</sup>\_\_\_\_\_ to the \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ again.
