lets go

Oh the weather outside is <u>Adjective</u>,

But the <u>Noun</u> is so delightful,

And since we've no place to go,

Let it _____! Let it snow! Let it snow!

It doesn't show signs of ______ Verb - Present ends in ING _____,

And I've bought some <u>Noun</u> for <u>Verb - Present ends in ING</u>,

The <u>Noun - Plural</u> are way down low,

Let it snow! Let it snow! Let it snow!

When we finally kiss goodnight,

How I'll hate going out in the storm!

But if you'll really hold me tight,

All the way home I'll be warm.
