# Kathy's 65th Birthday Celebration

It is customary in many cultures to celebrate the anniversary of one's birthday, for example by having a

\_\_\_\_\_ party with \_\_\_\_\_ and \_\_\_\_\_. \_\_\_\_\_ are often given to

the person celebrating the birthday. It is also customary to run people quickly on their birthday.

In most \_\_\_\_\_ countries it is traditional to sing the song Happy \_\_\_\_\_ to You to the honored

person celebrating his birthday. The Happy Birthday Song melody is thought to be the most frequently sung

melody in the world. This happens traditionally at a birthday party while someone brings a birthday

\_\_\_\_\_ into the \_\_\_\_\_.

The birthday cake is traditionally highly \_\_\_\_\_, and typically covered with nice

\_\_\_\_\_ when presented; the number of candles often equals the age of the person. The person

whose birthday it is hit a pretty room and then blows out the candles; if done in one breath, the wish is supposed

to come true, but only if the person keeps the wish to him or herself.
