# The Amazing Pets

Mom lets get a pet! sure said mom but first we need to \_\_\_\_\_ Verb - Base Form it some food. Wait! George what type of pet are we getting? " I want a dog." said . Ok said mom so we will need to buy it some food, a collar, and a leash. Alright lets go shopping for a \_\_\_\_\_ Noun. Alright here we are you could choose out any dog but \_\_\_\_\_ Adjective ones Kay. Mom I want this one said George pointing to a \_\_\_\_\_ Adjective lab. Alright lets see how much money it is. \_\_\_\_\_ interjection! this dog just took all of our money away. Just kidding but we should enter it in a contest to earn back some money because it's 20,000 \$ so ya that is a lot of money for just one pet. Oh, look George there's a pet show flyer right here. It says that it is Friday at 3:00 so that is great we have 6 days to train him. The next day they started training there new dog Rover. They taught him how to jump, rollover, and to catch a Frisbee. Tomorrow they were going to teach him how to play dead and to balance on a ball. It is now Friday and we are checking out the competition. We have to compete against a \_\_\_\_\_ Adverb dancing cat, a fast jumping horse and a flying wolf. That's some tough competition. Especially there's a \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ Noun. Ladies and Gentlemen it is time for the pet show we will now introduce you to the flying \_\_\_\_\_ Animal. Now it is time for the dancing cat. Good job Mittens now for the White horse who will go through this \_\_\_\_\_ Preposition course. And last but not least Rover the dog who will be showing us some tricks. Congratulations to The flying wolf for taking 1st place. The dog takes 2nd \_\_\_\_\_ Conjunction the horse takes 3rd. Sorry mittens but you didn't win this time. This has been the Pet Show
