# Student Center

I went to the student center one day on a \_\_\_\_\_, crisp morning. Everyone was \_\_\_\_\_  
\_\_\_\_\_ to get into the \_\_\_\_\_ of the \_\_\_\_\_ and run away from the cold. When I  
\_\_\_\_\_ the doors, I realized the atmosphere in the room was \_\_\_\_\_. I went to  
go get my \_\_\_\_\_, which I normally get from the student center. The \_\_\_\_\_ who took my order  
was going faster than my brain could process. Turkey, ham, \_\_\_\_\_, \_\_\_\_\_,  
\_\_\_\_\_, \_\_\_\_\_, and Italian dressing sounded like the \_\_\_\_\_ combination at the  
time, so I went with it. I sat down and saw these two students working on what looked to be a \_\_\_\_\_ of  
some sort. Back and forth they were arguing about what was the better \_\_\_\_\_ to use in order for the  
display of the project to look the \_\_\_\_\_. One girl said to another, "fine we can do it your way,  
but I'm just saying it ain't going to look \_\_\_\_\_." Both of the \_\_\_\_\_ on their face showed  
that they had had enough with each other, but \_\_\_\_\_ to put it past them, as their \_\_\_\_\_  
\_\_\_\_\_ were more important. \_\_\_\_\_ people in the center had a coffee to wake them up, as most of  
them looked like walking zombies.
