Dear friend,

You are \_\_\_\_\_ Adjective and smart and \_\_\_\_\_ Adjective. Have you done something different with your  
\_\_\_\_\_ Noun? It looks \_\_\_\_\_ Adjective today! I just wanted to write you a note to say that you are really good  
at \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ Noun - Plural and I will miss you over winter break. You give me  
\_\_\_\_\_ Noun - Plural and make people feel so \_\_\_\_\_ Adjective without even knowing it. I can't wait to see you in  
the Spring!

\_\_\_\_\_ Adverb,
