# Eating Potato Chips

First you take out the potato chips and the french-onion dip. Then you take out the biggest chip that you can find.

Dip it into the \_\_\_\_\_ *Adjective* dip. Then take the second smallest chip to eat. Dip it into the french-onion dip.

Then eat it as slow as possible. When your done, then make the bag into the unicorn. Then \_\_\_\_\_ *Verb - Base*

\_\_\_\_\_ *Form* them/it eat the last potato chip out of the bag. Then slay the thumb off the unicorn. Wow, that was

weird eating potato \_\_\_\_\_ *Proper Noun - Plural* but don't do this all the time. About now, you can eat slowly and so

awesome, Barrack Obama will promote you as president. Aww, thought I was going to become president. Well

that's what i get for writing this mad lib. This is my story and original way of eating potato chips. Hope you liked

it.
