Joel-Peter Witkin Quotes

My first _____^{Adjective} recollection was when I was 6 years old. It happened on a Sunday when my mother was escorting my twin brother and me down the steps of the tenement where we lived. We were going to _____^{Noun}. While walking through the hallway to the entrance of the building, we heard an _____^{Adjective} crash mixed with _____^{Verb - Present Tense} and _____^{Noun - Plural} for help. The accident had involved three cars, all with families in them. Somehow, in the confusion, I was no longer holding my mother's hand. At the place where I stood at the curb, I could see something _____^{Verb - Present Tense} from one of the overturned cars. It stopped at the curb where I stood. It was the head of a _____^{Adjective} girl. I bent down to touch the _____^{Noun}, to ask it--but before I could touch it--someone carried me away.
