mean moose

There _____ lived a _____ big moose. This moose was also _____ mean. He growled and he spit and, _____, he even punched a couple squirrels and _____ that got to close. None of the animals in the forest liked the moose, they just flat out hated him. Because of this the animals wanted to kick him out of their forest. All of the animals made a plan to get him out. Their plan was to made the _____, fastest, and the _____ deer of them all get in his way. When this happens the moose will _____ chase him out of the woods, and to a _____ away land. The deer will know his way back but the moose will not. Their plan did work but they didn't account for the moose adopted _____. The forest animals can't just leave the little _____ without a dad; they had go the moose back. A very special group of only the finest animals set out for where the moose had been left. It was dangerous journey and many were lost, but in the end they got the moose back safely. As the _____, they _____ him with his son, _____ _____ was all happy again. At least until _____ got to close.
