Beach!

It's a beautiful _____ day, here in the lovely city of _____, so you decide to take a trip to the beach. You drive, and you drive, for _____ miles straight, and the closer you get the happier you are. With the _____, _____, _____, and _____ rattling around _____ the back added to the sounds of your nagging friend, _____, complaining of how _____ doesn't want to go, and _____ kids in the back fighting over who gets the _____ first when the _____ man comes. It's just a tad bit _____ . You finally are crossing the long bridge to get to " _____ " while the children are gawking at the enormous ships in the bay, you breathe a sigh of relief . Just about _____ more mile to go. You park quite closely to the beach so you don't have to walk too far. You hit the _____ degree sand with your _____ and you know you are completely sure that you are at the beach. You get to the top of the dunes and see the _____ Ocean just a little while away. You start to get your hopes up and then realize, "What am I going to do with the little monsters?". First you lay down the _____ on the sand, with no help from _____ as the children _____ Then you put up the _____, alone, _____ yourself in the head numerous times. You finally allow the children to run free in the water and assign your friend to watch them. That probably wasn't the _____ idea, because when you look up, little _____, and _____ are missing. You look around _____, and you start to _____ when you realize that they are right next to you, mimicking your every move. You then look

at your Noun and it's already been number hours, you have to get home! All of you
Verb - Base Form in the car and drive back home to Miami, thinking of the Adjective day at the
beach you had.
