adventure guys

one day two Adjective were looking for an adventure. they looked through the whole village for adventure for 3 strait hours. they finnally found one from an Noun lady and she said go to the canyon and my family will be there trapped with the Noun beast of discordia. they hopped on their 4 wheelers and dipped. they got there finnally and saw the Noun beast and saw the family in grasp of the beasts Noun tentacles. they tried magic but it didnt work so the pulled out c-4 explosives and planted the on the body of the Noun beast then they got out their turrets and built them . first they shot it and made him drop the family and they landed Adjective. next they blew him up because he was coming after him and his health was very low. they all got home safely and had a very very very deep sleep
