A Funny Little Tail

you shall bring me back a mouse from your colony. If you don't, I will eat you." Baloney agreed, yet he was shocked that was all he had to do. When Baloney got back from the wizard's, he went to Florescence Forest and drank from the Fountain of Tails. As if it were <u>Adjective</u>, his tail grew <u>Adjective</u> and <u>Adjective</u>, just like his friends'. "Yes!" Baloney yelled. He ran from the forest all the way back to his colony and told Princess to come with him. "We are going to see the wizard." Upon Princess's and Baloney's presence, the wizard yelled at them. "This is not a mouse!" The wizard screamed. "This is a rat, what you are now!" The wizard was very <u>Adjective</u>, but he decided to let them go. Baloney was <u>Adjective</u>. "I was a mouse living with rats?" He asked Cheese. "You've always been a <u>Adjective</u> mouse, Baloney!" Cheese replied. "With your <u>Adjective</u> tail, you look like us!" That day, Baloney the Mouse learned that just because you are different doesn't mean you have to change.
