# "Fairy" tale

Once upon a time there was a           Noun          . She was so           Adjective          ! She was           Adjective           because there was a royal           Noun          . Everybody that was somebody was going to be there! She could not wait to go. She got her           Noun           on. She got her           Adjective                     Noun - Plural           on. She looked           Adjective          ! Now all she needed was a           Noun          . Oh, how she wanted a           Noun          . She           Verb - Past Tense           a           Verb - Past Tense           for a           Noun                     Adjective           to go to the           Noun           with. She went through so many           Noun - Plural          , it was           Adjective          ! She           Verb - Past Tense                     Adverb           and           Adverb          .           Adverb           she found a           Adjective                     Noun           to go with her. She and her           Noun           went to the           Noun           and           Noun           the           Noun           away. At the end of the           Noun          , the           Noun           asked the           Noun           to           Verb           him. She           Adverb                     Verb - Past Tense          . They got           Verb - Past Participle           the next day and lived           Adverb           ever after!
