4.	City
5.	Part Of The Body
6.	Kind Of Person
7.	Kind Of Person
8.	Noun - Plural

when we didnt get along

Without your schemes my life, it seems, is empty
I spent all my time keeping you from doing wrong
You were my only
I'd foil your plans, but still I miss
The <u>Noun - Plural</u> when we didn't get along
I fell for you the moment that you pushed me
You captured me and held me for so long
But now you're doing battle with a from
I miss the moments when we didn't get along
So search yourpart of the body, please,kind of personD
so search your <u>part of the body</u> , picase, <u>kind of person</u> D
And I am sure that you will see
And I am sure that you will see
And I am sure that you will see That you were always meant to be
And I am sure that you will see That you were always meant to be My only lifelong <u>kind of person</u>
And I am sure that you will see That you were always meant to be My only lifelongkind of person You gave my life heroic cause
