# a day at the market

the other day I went to the market to buy...          Noun           plural. I needed ..          Number          ...of them to make 1  
          Adjective           casserole. the store didn't have any           Noun - Plural           so I decided to make           Adjective            
          Noun           instead.
