## **Invader Zim**

Invader Zim is an American animated television series created by	First name of celebrity	funny word
It was produced by and subsequently premiered on	The series is abou	nt an extraterrestrial
named Zim from the planet, and his ongoing	to conquer a	nd destroy
His various attempts to subjugate and destroy the	Noun race are	e invariably undermined
by some combination of his own ineptitude, his malfunctioning	Noun servant	funny word, and
Noun investigator Dib, one of very few humans attentive en	nough to be aware of	Zim's identity.
Invader Zim was first broadcast on,	Four digit number	and was targeted at
Noun - Plural in their early teens, and met with critical acclaim	n, but after the	Number season, the
show's ratings began to suffer. Before the second season was comple	ted, TV channel	canceled the series,
leaving at least episodes and a planned television m	ovie series finale	Verb - Past Tense
The show has maintained a cult following since cancellation with a p	pilot episode,N	umber canon
episodes, and at least that were	in production at the	time of the series'
cancellation. On August 19, 2006, all 46 canon episodes have aired of	on television and bee	en released on
19 of the episodes are split into two individual stories	s, each lasting about	12 minutes. There are 8
double-length episodes. All episodes were directed by First name of	Ressel e	except for the pilot
which was directed by Reichek.
