# Fishing

We went to the Lake Oshawatt to \_\_\_\_\_. My \_\_\_\_\_ caught a really big bass, but it slipped loose into the water. \_\_\_\_\_ caught a 3-foot samurott fish. When we went to take a picture, an old man who was the owner of the \_\_\_\_\_ casinos said, "No flash photography. It'll make all the other fish swim away."

So, Dad had to \_\_\_\_\_ the 3-foot samurott to the casino's display case. My dad went wild because the display didn't have HIS \_\_\_\_\_ on it, it had the casino owner's name labeled in solid gold. My mom didn't care when we got \_\_\_\_\_.
