# Ditching Class

I was standing outside the school on a Wednesday morning \_\_\_\_\_ my friends Jessica, Kristina, and Michelle. We were planning on going to \_\_\_\_\_ Park instead \_\_\_\_\_ school. We were \_\_\_\_\_ to go to homeroom and be present then got to the bathroom and sneak out a window. And we did. Except we accidentally left Kristina behind. I was yelled at cause I'm in the same homeroom as \_\_\_\_\_ so... Here we go to \_\_\_\_\_ !
