During Shakespeare's lifetime	Adjective	Noun	cared little abou	seeing their	r work in prin	ıt. Only
the rare drama wasAdverb	intended to	be read as well	as Verb - Past Past	articiple .	Writers would	d
usually sell their plays to the thea	trical company	which staged	the performances.	and if the c	ompany com	mitted
a Adjective play to paper,	it would create	e only one copy	/ - the official cop	y - in the fo	rm of a prom	pt-
book. A prompt-book was a	Noun of th	ne play used du	ring performance	S, <u>Verb</u> -	Past Tense	with
stage directions, instructions for s	sound effects, a	and the names o	of the actors. If a p	olay was prii	nted for a read	ding
audience, it was often without the	e author's conse	ent. Unprinciple	ed publishers wou	ld steal the	prompt-book.	, and
sell copies for aboutNumber	apiece
